Physical Inventory Solutions

Uan UPC EAN-8 32 Bar-Coding?

TopCount can work with all the top bar code formats.

Bar-Coding can look like an alphabet soup of terms and lingo. Even worse creating a new barcode system can seem impossible at times.

TopCount can produce and affix a barcode system during our physical inventory duties.

λ Savings on repeat inventories can be immediate and substantial.

λ Barcoding will increase accuracy.

UPC EAN UAN registration and implementation for manufacturers and publishers is available.

On-Line account manager.

With TopCount you receive a dedicated portal that you can access and manage your physical inventory projects status and reports.

With the TopCount on-line manager you can manage multiple physical inventory jobs even for multiple locations from one convenient secure on-line portal.

Schedule & Manage new physical inventory jobs, and more.

Why would I do a physical inventory?

Knowing your exact inventory saves your company money in taxes, employee theft and duplicative purchases.

When dealing with perishable foods physical inventories are required more frequently, Preventing and spotlighting waste, could mean the difference between spoiled milk and ice cream.

TopCount creates a solution designed specifically for your needs.

TopCount works in clean rooms, sterile conditions and other demanding environmental situations.

TopCount is a leading provider of innovative new services designed to put your physical inventory requirements on track.

TopCount can work with you to reduce employee theft, supplier mistakes and provide immediate third party proof to partners and investors.

TopCount makes your taxable inventory and equipment easier to manage and forecast with.

TopCount is the accuracy leader, with proprietary systems written to catch and reconcile mistakes in the field.

TopCount provides a critical gap for mergers and acquisitions when you are buying or selling a business agreeing on the inventory counts and values can be time consuming and speculative often becoming a deal ender.

TopCount provides a third party independent physical count of your inventory.

Physical Inventory Solutions

Reporting and Analysis?

When you receive your on-line portal you can produce reports 24/7/365 as you need them.

For a small fee we will provide printed hardcopy reports to anyone you specify.
